English: Intermediate

PROFILE

SEO specialist with 8 years of professional experience, including 5 years combining SEO and website design. Freelance work across dental care, e-commerce and education, collaborating with content teams on WordPress websites, ongoing support and SEO consulting.

SELECTED EXPERIENCE

PARMIS DENTAL

Ongoing engagement

Website design, ongoing support and SEO in collaboration with the content team.

NOORA24

Previous engagement

Website design, technical support and SEO alongside the project and content teams.

DRFM

Educational website

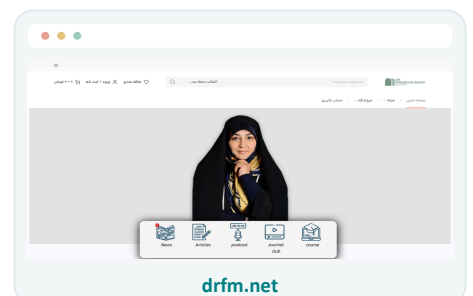

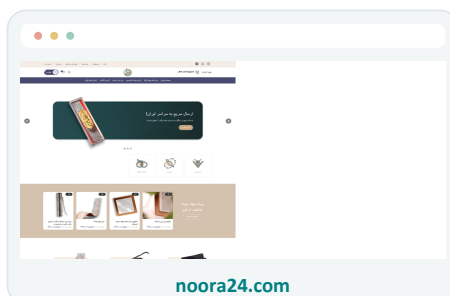

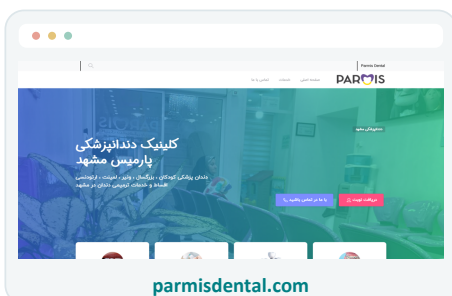

Designed an educational website presenting learning content and courses.

JAVAHER

Consulting engagement

Provided SEO consultation to the project team.

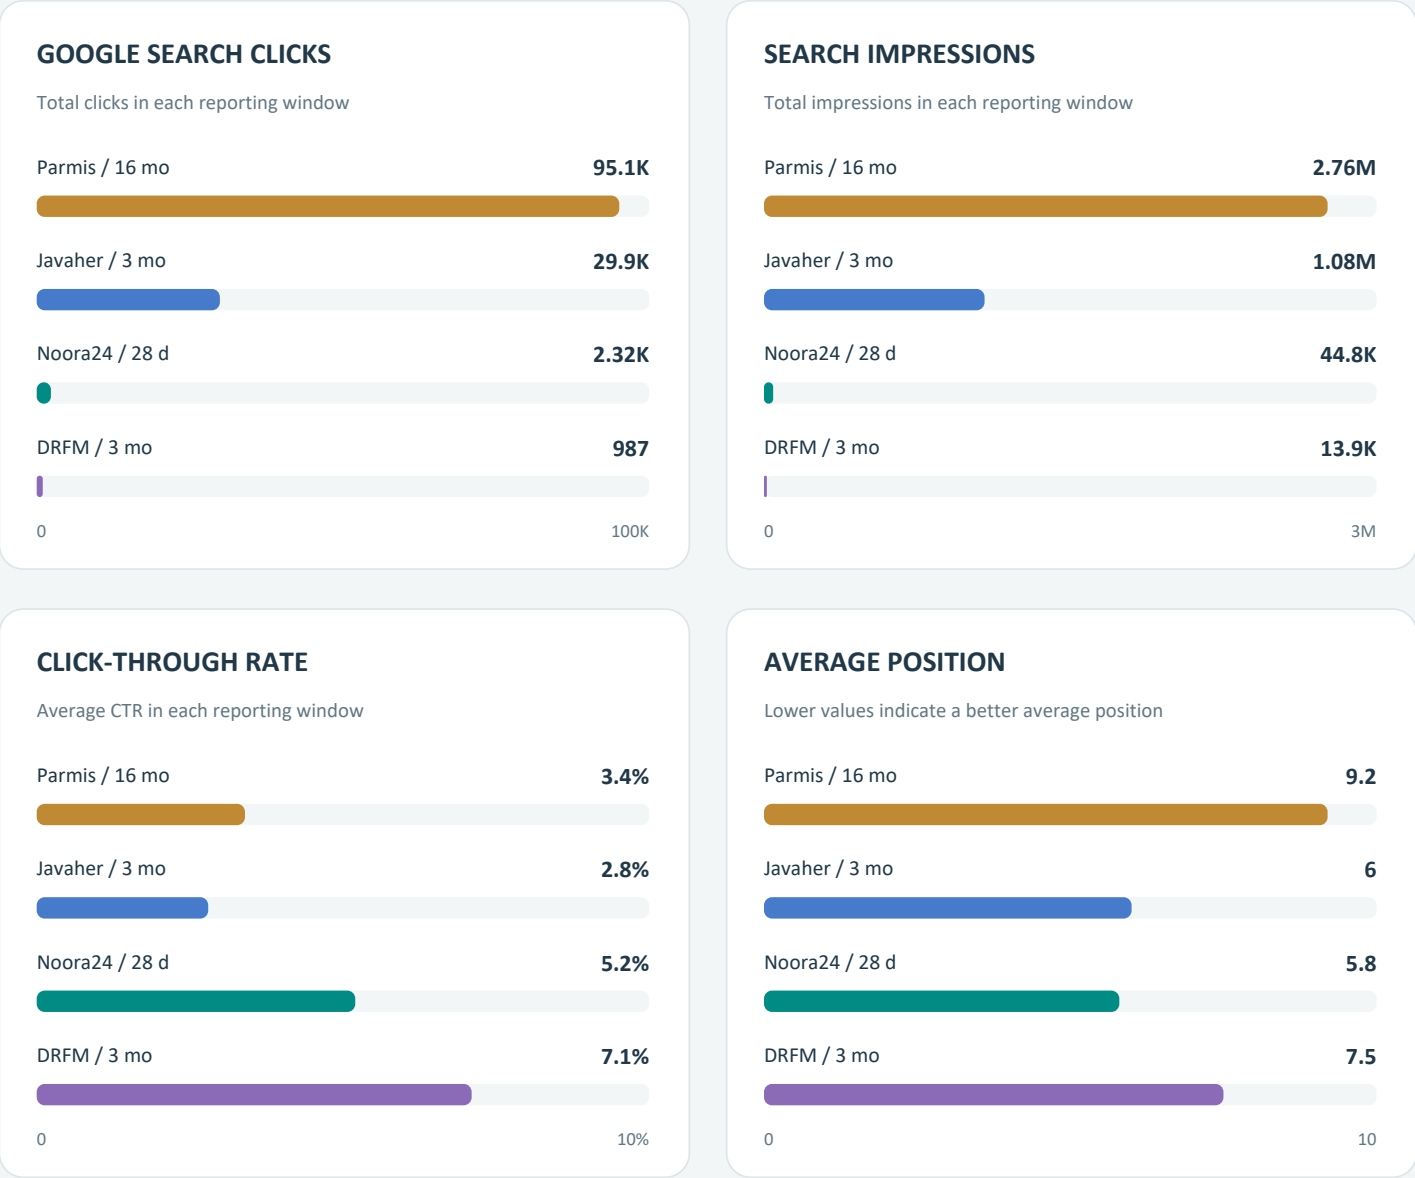

A FEW WEBSITES I DESIGNED

PROJECT PERFORMANCE

Four charts from documented Google Search Console reports

Reporting windows differ; click and impression totals are not directly comparable.

ROLE & REPORT CONTEXT

Parmis and Noora24: design, support and SEO with content teams. Javaher: SEO consulting only. DRFM: educational website design. Figures are historical site totals, not individual outcomes or current results. Reports were captured in October 2025; Noora24 data may extend beyond the engagement.

ADVANCED PYTHON PROGRAMMING

Maktabkhooneh | 56 hours | June 22, 2025

Instructor: Jadi Mirmirani
